

The tuition and miscellaneous fee charging standards for foreign students and Mainland Chinese students for the academic year 112 (2023-2024)

Degree	College	Year	Tuition Fee	Miscellaneous Fee	Language Training Fee	Group Insurance fee	Total	Note
Undergraduate	College of Engineering, Informatics and Electrical and Communication Engineering	1st Year Student	40,810	15,230		199	56,239	
		2nd, 3rd and 4th year Student	40,810	14,720		199	55,729	
	College of Management	1st Year Student	39,000	9,910		199	49,109	
		2nd, 3rd and 4th year Student	39,000	9,400		199	48,599	
	College of Humanity and Social Science	1st Year Student	39,000	9,190		199	48,389	
		2nd, 3rd and 4th year Student	39,000	8,680		199	47,879	
Graduate	College of Engineering, Informatics and Electrical and Communication Engineering	1st Year of Master Program Student	44,930	16,130		199	61,259	According to the regulations of our university's scholarship program, doctoral students are exempt from paying tuition fees for the first to third years. However, if their performance during the tuition exemption period is unsatisfactory or due to other factors, it may be determined by the relevant meetings and approved by the Admission Committee to terminate their tuition exemption rights.
		2nd Year of Master Program Student	44,930	16,130		199	61,259	
		1st Year of Ph.D Program Student	44,930	16,130		199	61,259	
		2nd Year of Ph.D Program Student	44,930	16,130		199	61,259	
		3rd Year of Ph.D Program Student	44,930	16,130		199	61,259	
		4th Year of Ph.D Program Student				199	199	
	College of Management	1st Year of Master Program Student	42,950	10,270		199	53,419	According to the regulations of our university's scholarship program, doctoral students are exempt from paying tuition fees for the first to third years. However, if their performance during the tuition exemption period is unsatisfactory or due to other factors, it may be determined by the relevant meetings and approved by the Admission Committee to terminate their tuition exemption rights.
		2nd Year of Master Program Student	42,950	10,270		199	53,419	
		1st Year of Ph.D Program Student	42,950	10,270		199	53,419	
		2nd Year of Ph.D Program Student	42,950	10,270		199	53,419	
		3rd Year of Ph.D Program Student	42,950	10,270		199	53,419	
		4th Year of Ph.D Program Student				199	199	
	College of Humanity and Social Science	1st Year of Master Program Student	42,950	9,470		199	52,619	According to the regulations of our university's scholarship program, doctoral students are exempt from paying tuition fees for the first to third years. However, if their performance during the tuition exemption period is unsatisfactory or due to other factors, it may be determined by the relevant meetings and approved by the Admission Committee to terminate their tuition exemption rights.
		2nd Year of Master Program Student	42,950	9,470		199	52,619	
		1st Year of Master Program in Dept. of Art and Design Student	42,950	10,270		199	53,419	
		2nd Year of Master Program in Dept. of Art and Design Student	42,950	10,270		199	53,419	
		1st Year of Ph.D Program Student	42,950	9,470		199	52,619	
		2nd Year of Ph.D Program Student	42,950	9,470		199	52,619	
		3rd Year of Ph.D Program Student	42,950	9,470		199	52,619	
		4th Year of Ph.D Program Student				199	199	
	Graduate Institute of Medicine	1st Year of Master Program Student	44,930	16,130		199	61,259	
		2nd Year of Master Program Student	44,930	16,130		199	61,259	

1 Accommodation Fees:

For undergraduate students in Male and Female Dormitory 1, the fee is NTS10,580 per semester (excluding winter/summer vacations and New Student English Camp).  
For graduate students, the fee is NTS13,800 per semester (including winter/summer vacations).

2 Extended Study Fees for Undergraduate Students (for those in the 5th year and taking fewer than 9 credits per semester):

College of Engineering, College of Informatics, and College of Electrical Engineering and Computer Science: NTS1,510  
College of Management: NTS1,400

College of Humanities and Social Sciences: NTS1,390

For those taking more than 9 credits per semester, full tuition and miscellaneous fees apply.

3 Extended Study Fees for Graduate Students (starting from the 4th year for doctoral students and the 3rd year for master's students):

For those taking more than 9 credits per semester, full tuition and miscellaneous fees apply.

For those taking 9 credits or fewer, they will be charged credit fees (College of Engineering, College of Informatics, and College of Electrical Engineering and Computer Science: NTS1,610; College of Management: NTS1,510; College of Humanities and Social Sciences: NTS1,500; School of Medicine: NTS1,610) plus miscellaneous fees of NTS4,500 (applicable from students enrolled in the academic year 2008).

4 Computer and Network Communication Usage Fee:

Freshman and sophomore students are charged NTS1,000 (applicable from the academic year 2022 for new students).

5 Sports Facility Maintenance Fee:

Freshman, sophomore, and junior students are charged NTS600.

Master's students in their first year are charged NTS300 (applicable from the academic year 2022 for new students).
