Article 2 The application and disbursement procedures are as follows:

1. Students who meet the eligibility criteria set out in Article 2 of the Establishment Methods should submit their application forms and relevant academic records within two weeks after the start of the academic year, following the announcements made by their respective departments or equivalent units. This scholarship is applied for once per academic year and is disbursed in two installments, one each semester.
2. Students who meet the eligibility criteria outlined in Article 5 of the Establishment Methods should apply according to the regulations.
3. If an applicant withdraws from the university during the academic year, any disbursed funds will be reclaimed, and their eligibility for this scholarship is forfeited without objection. Students who take a leave of absence may retain their eligibility for up to one year upon approval by the Scholarship and Grant Committee.

Article 3 The review standards are as follows:

1. Students who meet the first criterion of Article 2 in the Establishment Methods will be reviewed based on the original copy of their college entrance examination results by their departments, which will also submit a photocopy for reevaluation by the Scholarship and Grant Committee.

After reevaluation by the Scholarship and Grant Committee and approval by the Dean of Student Affairs, the Accounting Office will disburse the funds.
