

Dorm Check-out Process

Leave Dorm

Required to live for one academic year.

If the residence period is less than one academic year, you should continue to live in the next semester.

< Except for those who are qualified to check out like below (A/B/C situation) >

Room key

- Keep it by yourself

Management Center

- No need to check out

Valuable belongings

- Be sure to take it away

Personal belongings

- Lock in personal closet

Non-Personal area

- Occupation is strictly prohibited to avoid breaking the law

Check-out

A. Those who do not continue to stay after one-year length of stay.

B. Those who apply for giving up accommodation and are approved.

C. Short-term dormitory residents.

Bed

- Clean & Tidy
- Bed checking must be completed on the day of leaving

Female 1st Management Center

- Go there with the Proof of Withdrawal (issued by school)
- Return the key and sign out

Take back deposit

- Do not process on weekend and after working hours.
- The full deposit will be refunded if only passing the check-out inspection.
- According to the regulations, those who voluntarily withdraw from accommodation before completing one academic year will not receive a refund of the deposit, and they will still be charged for accommodation fees in the following semester.

期末離(退)宿流程
