

If I have COVID-19 or a positive rapid test result

- Suspend in-person classes and take a leave on Portal.
- Submit self-report questionnaire on [Yuan Ze COVID-19 Prevention](#).
- Distance learning for 5+n days
(Home quarantine/Self-health management)
 - Students can take disease prevention leave if feeling unwell.
 - Teachers who are temporarily unable to teach can arrange for make-up classes or substitute teachers.
- Criteria for attending class:
 - Home quarantine for 5 days and have negative rapid test result
 - Or 7 days after being released from Home quarantine

If my roommate or a family member I live with has COVID-19 or a positive rapid test result

You should adhere to **self-health management measures (0+7 days)** whether you receive a booster dose or not.
There's no need to submit self-report questionnaire.

Do you have any symptoms?

Yes

1. You can't attend classes.
2. Take a leave on Portal.

No

Negative result from a rapid test taken within 2 days → You can attend classes.

If you have **tested positive** : **5+n** days (Home quarantine/Self-health management) and take a leave on Portal.
